HISTORY OF BUILDINGS AND PASTORS OF LOVES CREEK BAPTIST CHURCH by H. A. TEAGUE, RT. 3, SILER CITY, N. C.

Loves Creek Baptist Church, two miles east of Siler City, North Carolina, was organized in Aug. 1825 as a branch of Rocky River Baptist Church. With 64 members.

The first deacons were Nathan Bray, Daniel Hackney, Mial Womble, and W. R. Fitts.

The church for a few years worshiped in a brush arbor built in the grove near the church, just east of the present building.

The first church was erected just west of the present church and finished in time for the Sandy Creek Association which met here in 1830. William Lineberry was moderator, Nathional Smith clerk, and Noah Richardson preached the annual sermon.

The church building was twice as long as it was wide, running east and west with a door in each end and a double door on the south front. The pulpit was on the north side of the church about midway between the west and east ends of the church—facing the double front door.

In January 1897 a Building Committee was appointed—Geo. W. Womble, John D. Dorsett, and W. Dan Teague.

In July 1898 James A. Gilliland, Jack Gilliland, Geo. W. Gee, and Selma S. Edwards were added to the Building Committee.

On Wednesday Dec. 28, 1898 the Building Committee went to work. John D. Dorsett was elected Treasurer of the Building Committee.

During 1899-1900 the old church was turned around and built where the church now stands.

The last members to join the church in the first old building were baptized on Monday after the fourth Sunday in September 1899. They were R. W. Hackney, Ira D. Poe, Fletcher Teague, Willie Fox, Ida Poe, Vallie Teague, and Mary Dorsett.

Sister Rue J. Dorsett was baptized on the fourth Sunday in September 1900.

John D. Dorset died on Sunday December 23, 1900 and was buried on Christmas day 1900. His funeral was the first to be held in this church after it was remodeled and turned around.

The following were the first to join the church in 1901 and were baptized on the first Sunday in September 1901: James S. Edwards, Lucy Siler, Walter L. Hackney, Ora Gilliland, Ella Hackney, Estelle Hackney, Exie Womble, Alma Dorsett, Eleanor Teague, and Minnie Smith.

The following were baptized on the fourth Sunday in September 1901: Talmage Siler, Paul Phillips, Grace Siler, Lizzie Siler, Barney Brewer, George Stanley, Elsie Stanley, Ida Stanley, Dora Hudson, and Callie Hudson.

On the fourth Sunday in October 1901 George Pickett, Bun Phillips, and Dora Johnson were baptized. This made three baptizings in 1901.

In September 1927 the church decided to build two Sunday School rooms and repair the church. Those on Building Committee were: Talmage Siler,

Ed Marsh, and R. C. Fox. The Finance Committee was: Jack S. Clark, Rob Smith, Mrs. Grace Siler, Gilliland, Mrs. Georgia Womble Elder, and Miss Stannie Marsh. In October 1927 the Finance Committee reported they had \$1,247.50 subscribed. On motion by Fletcher Teague the church decided on brick veneering the church. Every member present voted for this motion and the Building Committee was instructed to go to work. Bun Bray was employed to lay the brick. In November the Finance Committee had collected \$1,095.25 in cash and \$600.00 more subscribed.

On the fourth Sunday in December the church re-elected Rev. J. C. Canipe as pastor.

On the fourth Saturday in January 1928 the Finance Committee reported the brickwork was completed, all bills paid for in full, or sufficient funds in hand to meet same. The Building Committee was instructed to go forward and repair the interior of the church. At this time Mr. Marion Dorsett announced that Lacy Short's house was on fire and the meeting adjourned without adjournment.

The church met at regular time in March and the fourth Sunday in May was the date set to dedicate the church. A large crowd was present on the fourth Sunday in May 1928 to dedicate the new church. At eleven o'clock Dr. Livingston Johnson, Editor of Biblical Recorder preached on the subject "The Purpose for which the Church Was Built." In the afternoon Rev. J. C. Canipe preached the dedication sermon from 2 Cor. 8:5. H. Adney Teague gave a history of the church. Mrs. Hamby Hilliard had loaned the church, without any interest, enough money to pay for the metal ceiling, this note was destroyed at this time. A free-will offering was taken amounting to \$150.00, to purchase new seats for the wings. In just seven months from the time the Building Committee was instructed to go to work (fourth Sunday in October 1927 to Fourth Sunday in May 1928) the church was dedicated and paid for in full.

The seven Sunday School rooms were built in 1943-1944 while Alfred F. Gibson was pastor.

The parsonage was built in 1950.

These buildings were all financed by the church and community.

For the past 131 years the church has never reported to the Sandy Creek Association a church debt.

PASTORS OF LOVES CREEK BAPTIST CHURCH

The following 25 pastors have served this church in the order named: Job Jacks, T. D. Armstrong, T. S. Yarboro, Eli Phillips, Noah Richardson, William Lineberry-1825 to May 1877. Stephen Gilmore 1878 to 1883, O. T. Edwards January 1883 to his death, August 30, 1906, G. W. Harmon Supply September 1906 to July 1907, R. H. Herring 1907-1909, Willie Poe Supply pastor April to October 1909. J. R. Edwards 1910-1911, B. Townsend 1911-1913, Geo. E. Spruill 1913-1916, A. T. Howell 1916-1917, W. O. Johnson 1917-1921, R. S. Fountain 1921-Dec. 1926, Grover C. Phillips, supply for a short time, J. C. Canipe 1927-1934, J. Louise Price 1934-Dec. 1940, Oren Bradley May 1941 Dec. 1942, Alfred F. Gibson July 1943-May 1945, J. Parks Hackney Jan. 1946, 1949, Geter R. Porch April-1950-Feb. 1955, Edward C. Elliott Sept. 1955 to the present time.

O. T. Edwards was elected pastor in January 1883 when he first started to preach. He served as pastor for the remainder of his life. He died Aug. 30, 1906 and was buried at Moons Chapel. Our minutes show the following salaries he received for a year's service: \$40; \$60; \$75; \$80. The highest salary he ever received for a years service was \$100. Most of his pay was collected during August and September. I remember when he called on Brother "B" to pray one day. He said "Dear God, Bless our church, have mercy on our pastor. We do not treat him with the respect of a decent dog. The dog receives his food daily at our hands, but our pastor, depending upon us for his daily bread is more than four months hungry." It worked. His salary was raised \$20. If you want a raise in salary, pastors, call on the Finance Committee to pray somtimes. Prayer changes things. "The effectual fervent prayer of a rigtheous man availeth much."

In the by-gone days sinners confessed their sins to God. One day Mr. "Z" came forward for prayer, a day or so passed and he had not forsaken his sins. The pastor called on him to pray. He said (in part) "O, Lord, You know that I am the meanest man in the whole community. I am not worthy to call upon you. I have made liquor, drank liquor, committed adultry and stolen chickens—even an old setting hen and her eggs and sold them. I can't trust myself. If you will save me, save me now." God saved him, two women shouted, and the fire came down, our souls to greet and mercy crowned the mercy seat.

In Sept. 1895 thirty-three persons were baptized and one restored this was the largest baptizing in the history of the church.

In 1952 three persons were baptized before the revival in August and twenty-eight following the revival, and six joined by letter. This was the largest number to join the church in any associational year (October 1, 1951-September 30, 1952) in the history of the church for the past 131 years. Geter Porch was pastor.

On Saturday before the third Sunday in November 1866 Daniel Hackney was granted license to preach, and Charlie G. Smith on Sept. 4, 1909. Daniel Hackney was ordained on the fourth Sunday in Feb. 1871. William Lineberry and D. C. Murchison had charge of the ordination. In Oct. 1872 Jesse Louis Smith was ordained by William Lineberry, D. C. Murchison, Thomas G. Matthews, and Daniel Hackney, J. M. Pugh and J. W. Calder were ordained here at the association in 1874. On July 13, 1941 Oren Bradley was ordained, R. E. Wall delivered the charge and led the prayer. Jack Duffie was ordained on the fourth Sunday in July 1954. Rev. W. L. Lynch preached the sermon.

The Sandy Creek Association has met with Loves Creek seven times on the following dates: 1830-William Merritt, Moderator, Nathaniel Smith, Clerk, sermon Noah Richardson

1846-Eli Phillips Moderator, Noah Richardson Clerk, sermon Eli Phillips

1858-William Lineberry Moderator, E. H. Straughan Clerk, sermon J. C. Wilson

1894-O. T. Edwards Moderator, W. C. Douglas Clerk, Sermon Jesse Louis Smith

Warfford—text Eph. 5:27.

1941-V. M Dorsett Moderator, Walter L. Warfford Clerk, Sermon Walter L.

One of the outstanding dates in the history of this church is that the one hundredth anniversary of the Sandy Creek Association was held here in 1858 at which time Rev. Geo. W. Purefoy preached the Centennial sermon-text "From the Days of John the Baptist Until Now" Matthew 11:12. Matthew T. Yates a returned missionary from China also preached.

O. T. Edwards has preached more associational sermons than any other person.

It is believed that the first marriage in the church was on March 22, 1908 when Rev. R. H. Herring performed the ceremony uniting in marriage H. Adney Teague and Miss Lizzie Siler. The next church wedding was July 4, 1942. The pastor Rev. Oren Bradley was married to Miss Nadine Woodlief.

The largest baptizing in the history of Loves Creek church was September 1895. O. T. Edwards was the pastor. The following thirty-three were baptized Mattie Poe, Minnie Bray, Lona Fesmire, Henry G. Dorstt, Lizzie Poe, Lydia Smith, D. C. Campbell, Richard Smith, James Sears, E. M. Davis, Cladie Fitts, Aldine Siler, Emory Brooks, Queen Bray, Ida Jones, Euterpe Clapp, Lizzie Marsh, Swannie Teague, George Womble, J. Baile Teague, Lumma Sears, Thomas Fesmire, Tasso Siler, James K. Dorsett, W. A. Brooks, Nettie Fox, A. Bert Dark, Dena Jones. T. J. Murchison was restored, H. H. Siler was received for baptism but was not baptized at that date. The other 4 candidates were baptized, and may have joined another church as their names do not appear in our church minutes.

On July 5, 1925, a presbytery of Rev. R. S. Fountain, Rev. W. A. Elam, and Brother R. H. Dixon ordained T. W. Siler as minister.

ROCK SPRING

The church was located two miles North of Pittsboro, in Chatham County, North Carolina. It was probably known by the name of "Haw River Church" at first, then by "Old Fork" and finally, when it moved to its present location, it took the name of Rock Spring. It was, no doubt, an arm of Sandy Creek Church at the formation of Sandy Creek Association in 1758 and was soon thereafter an independent church. Consequently, it may be considered the second oldest church in Association and Bear Creek third oldest. The church records previous to 1817 cannot be found. In 1800 or during the next year this church enjoyed an extensive revival of religion led by Elder George Pope. Elder Elnother, we presume, succeeded him in the ministry at this place.

From 1816 to 1858 the following ministers in the order in which their names occur have been the pastors of this church: Elder Robert T. Daniel, George Brown, Hezekiah Harmon, Thomas D. Armstrong, William H. Merritt, George W. Purefoy, Jesse Sowell, and William Lineberry.

Deacons: Robert Ward, Blake Brantley, Stephen Moore, Richard Webster, Willie B. Straughan, Elisha H. Straughan, Ransom C. Poe, George W. Dismukes, C. C. P. Dismukes, and Guilford Petty.

Clerks from 1816-1858: Basil Manly, William Lightfoot, W. B. Straughan, E. H. Straughan, S. Moore, and Joseph G. Dismukes.

Basil Manly was licensed to preach by this church April 25, 1818. Edmund A. Poe and Richard R. Moore were licensed in 1854.

Wiley Straughan went along with George Dismukes and others mentioned to Association these years. In 1827 Richard Webster and Joel Horton were new delegates from Rock Spring. George Harmon's name is mentioned frequently. Stephen Moore was a new delegate in 1830—Eight new baptisms, but only 53 members in all. Charles S. Foushee, a delegate in 1833. Hatch and Ransom Poe were also delegates.

A BRIEF HISTORICAL SKETCH OF THE JONESBORO HEIGHTS BAPTIST CHURCH

On September 29, 1869 A. D. under the direction of the Rev. Orin Churchill and the Rev. Stephen Gilmore, the Baptist church was organized with the following charter members: A. Muckle, Isaac Muckle, B. Muckle, Sarah Muckle, Jeanette Muckle, W. M. Brooks, John A. Hawley, P. C. Farrell, Alexander Hunt, Wesley Parrish, Chairity Hunt, Sarah Riddle, Margaret Tyson, Fanny Stone, Elizabeth Brooks, Nancy Wicker, Jeannah Hunt, Martha Davis, Sarah Jackson, J. A. Hawley.

At the first church conference a resolution adopted by the church was: Resolved that this body shall be known as Saint John's Baptist Church, it is to be a branch of the great body of Misionary Baptist of North Carolina and the United States of America. The name of the church was later changed from St. John's to Jonesboro.

Messengers to the Sandy Creek Association in Carthage in October 1869 was duly elected as follows: W. M. Brooks, A. Hunt and P. C. Farrell.

This was a Baptist church from its inception. The members believed in freedom in religion as well as seperation of church and state. To them the ordinance of baptism required a believer as a proper subject, immersion as a proper mode,

and a person authorized by a Baptist Church as a proper administrator. "The Denominational Tree" a chart prepared by George W. Purefoy of Chapel Hill was placed in many homes as a Baptist history reference.

The site of the present church property was purchased in 1869. An arbor, or shelter, was used as a place of worship while the members built the first church house on this location. It was a splendid frame building with no class rooms. The second church house was built in 1889. New pews were installed in January, 1895. During the pastorate of the Rev. F. D. King, a baptistry and two class rooms were built. During the ministry of the Rev. Frank Hare in 1923 the annex for class rooms was erected. Then in March, 1950 the third church house was started, the dedication service was held in this church the fourth Sunday in September, 1955.

The following ministers have served this church as pastors:

Rev. Orin Churchill (1869), Rev. Terrell Brooks (1876-1877), Rev. James Coleman Marcom (1877), Rev. A. I. Kohen (1881), Rev. Wm. Green King (1882), Rev. Orin T. Edwards (1884), Rev. W. JUNIPER SPRINGS CHURCH

Juniper Springs Church was organized in 1812 by Elders Isaac Hicks, John Culpeper, and Hezekiah Harmon. It was known as Muddy Springs located in Moore County about eight miles east of Jonesboro Heights. The first pastor was Elder Isaac Hicks.

In 1853 the church moved to its present location, one mile east of Broadway, and changed its name to Juniper Springs.

In 1857 the church took a letter from the Raleigh Association and united with the Sandy Creek Association until 1875 when it united with other churches to form the Little River Association. It rejoined the Sandy Creek Association in 1926.

Juniper Springs is said to be the Mother Church of Jonesboro, Broadway, Pleasant Ridge—now Baptist Chapel. It has sent out five preachers, Samuel Brown, H. S. Judd, C. S. Harward, Lonnie Powers and Fred Womack.

The first Sunday School was organized by this church in 1858. Caswell Harward was first superintendent.

FALL CREEK CHURCH

This church is located in Chatham County North Carolina near Deep River. It was constituted in 1799. Elder Isaac Teague, who was a member of this church, was its Pastor until about 1830. In 1832 and 1833 Elder William H. Merritt was its Pastor. Several were added to the church under his ministry.

At first this church was blessed with prosperity, but in 1828 a disturbance was commenced among the leading members and kept up for a number of years. In consequence of this, the church went almost entirely down. For a while no church meetings were held.

In April 1857 Elder Thomas S. Yarbrow, at the request of the itinerant board visited this church and found about twelve female names on the church book. His labors have been blessed to the conversion of a number of souls. The church now has about thirty-four members. Eight or ten of whom are males.

William Carr, one of the companions of the notorious fanning afterwards became a member of this church. His widow is now living at the advanced age of about one hundred years.

The deacons of this church at present are J. Alfred Scott and Tyrrell Burns. Chesley Jones is their clerk.

In 1823 this body met at Fall Creek meeting house, in Chatham County, N. C. on Saturday before the fourth Sunday in October. The introductory sermon was delivered by Elder R. T. Daniel from the text, "Thy Kingdom Come."

This is the history of the Fall Creek Church from 1799 until 1833.

HISTORY MOON'S CHAPEL BAPTIST CHURCH

A deed for four (4) acres and one (1) rod of land was given in 1835 by John Moon to build a Missionary Baptist Church.

Moon's Chapel Baptist Church was organized June 18, 1849, with the following as charter members:

Joshua Barker, Mathias Siler, Lane A. Hutson, Hays Louis, Elizabeth J. Vestal, Merriam Alston, Rebecca Teague, Rachel A. Barker, Elizabeth Barker, Cammely Jourdian and Mary A. Hutson.

Thomas Marley and Thomas Matthews were ordained January 1850 to be the first deacons. The first Sunday School was started the second Sunday in April 1890.

Down through the years the church has remained loyal to the faith, courage and vision of these first members.

In denominational matters this church takes an active part. The adoption of the Unified Budget enables her to do this in a more systematic manner.

Through all the organizations of the Woman's Missionary Union the church becomes better informed on Kingdom building matters. The Vacation Bible Schools also helps do this.

The physical plant of the church has also grown. To the little one room church, a number of years ago were added two wings. Then an addition of eight classrooms and a basement were made.

In 1953 under the leadership of Rev. E. W. Turner, a heating plant was installed. The church went on full time, during this period, the lawn was graded and sown. A Training Union was organized and an organ purchased. On March 7, 1954 the church voted to go back on half time.

In 1956 the Educational Plant was brick veneered. Rev. Alden Hicks, a young man of our church, was ordained for the ministry in July 1956.

Moon's Chapel continues after a period of one hundred and seven years to do great things for the Lord. Our present membership is 155, the largest enrollment on record, our Budget is the highest in history, \$3430.00.

May we attempt to do greater things for the Lord in the years to come.

FLAT SPRINGS BAPTIST CHURCH 1905-1955

The Flat Springs Missionary Baptist Church was organized on November 27, 1905. Twelve charter members constituted the first membership, coming from the Gum Springs Baptist Church of Moncure, N. C. The church building was erected in 1906, being improved with a steeple in 1911-12, and dedicated on October 8, 1916. Services were held once a month, generally in the afternoon, until 1939, when the church became half-time.

The church was engaged in a painful struggle for existence for many years. The first thirty-five years were the most difficult. The membership was small, contributions were negligible, and response was slow. However, the vision of the original twelve was not lost. Slowly and surely the church began to show evidences of the hard work and constant prayer of the painful years.

The church added new rooms to its building in the 1930's, and increased its size again in the 1940's. The entire structure was renovated in 1952. In July, 1953, the church adopted a fulltime program. A carpet was added in 1955, and an organ purchased in 1956. The parsonage was completed in February, 1956, and the present pastor was called as its first resident minister.

The Flat Springs Baptist Church has grown from a membership of twelve in 1905 to 230 in 1956. The Sunday School enrollment has increased from 62 to 176. The Training Union has been reactivated with a membership of 60. Gifts

to all causes have increased from \$235.89 in 1905-6 to \$9,614.52 in 1955-56. Nineteen different ministers have served the church as pastor. The church has elected twenty-one different men as deacons, with eight serving on the present rotating board. Sixteen persons have served as church clerk. The office of church treasurer, united with that of clerk until 1935, has been filled by five individuals. Fourteen men and one woman have served as Sunday School superintendent. The Training Union has had four directors. Four ladies have served as president of the W. M. S.

The statistics do not tell all of the story. The vision of the charter members is still in focus. The congregation is united, seriously engaged in the work of God in the community. The first fifty years have been significant; the remaining years will attest to the quality of work being done.

HISTORY OF OAKLEY BAPTIST CHURCH

Oakley Baptist Church was organized December 29, 1918. The organization grew out of a meeting held on September 12, 1918, when a group met at the Oakley schoolhouse to discuss the advisability of building a meeting house more conveniently located, rather than rebuild at Mineral Springs, where the church house was burned.

The minutes of this meeting were as follows:

"This meeting was organized by electing J. R. Paschal, Chairman, and N. R. Dixon, Secretary.

"Interested parties were: J. R. Paschal, W. M. Johnson, N. R. Dixon, H. J. Dixon, J. W. Dixon, O. D. Clark, Ira White, J. Walter Wilson, J. M. White, John W. Wilson, J. A. Dark, Wade Dixon, and J. T. Jones, spectator.

"Various phases of building are discussed.

"J. T. Womble, a Presbyterian, has offered to give us a lot of land if we decide to build.

"On motion we decided to accept Brother Womble's offer of lot and build a church house.

"J. A. Dark is appointed to see if and at what price timber could be bought from Mrs. Maggie Moore.

"Bro. J. A. Dark is appointed to inform our brethren at Mineral Springs of our decision and to invite them to come with us.

"Ira White, O. D. Clark, and J. A. Dark are elected to Building Committee.

"This meeting then adjourned."

(N. R. Dixon, Secretary)

J. T. Womble, H. Q. and J. T. Jones, W. M. Johnson, J. W. Dixon, and J. R. Paschal gave timber for the building. T. Ira and J. M. White, who owned a saw mill, did the sawing free of charge. When the Building Committee called for help, a number responded by cutting logs, using teams and wagons, and in other ways.

The minutes of the meeting for organization were as follows:

"On Sunday, December 29, 1918, we met for organization at Oakley schoolhouse. Rev. Thomas Carrick, presiding, Dr. George W. Paschal acting as secretary.

"Object of meeting was stated by Bro. J. R. Paschal to be organization of Baptist church. N. R. Dixon stated reasons for organization of church to be for the convenience of children in attending Sunday School and members in attending church services.

"Bro. Carrick preceeded to organize and called for applicants. The following presented themselves with letters from Mineral Springs:

H. J. Dixon, Henry Dixon, Harry Dixon, Curtis Dixon, Fannie Dixon, Ira White, Addie White, Blanche Cooper, John W. Wilson, Daisy Wilson, J. Walter Wilson, Belle Wilson, John W. Dixon, Wade Dixon, Addie Dixon, N. A. Wright, O. D. Clark, Rena Clark, Mary Lee Clark, W. M. Johnson, Kara Johnson, J. R. Paschal, Leona Paschal, Vera Paschal, N. R. Dixon, Lou Dixon, Bertha Dixon, Willie A. Dixon, Nellie Dixon, Carl K. Dixon, Ruth Dixon, Lila Gilliland, J. A. Dark, Mamie Dark, Edwin Dark, From Loves Creek: Ianna Hackney, Stella Hackney, J. B. Hackney. Sr., and Lillie Hackney.

"The moderator read the New Hampshire Articles of Faith and church covenant, and both were adopted.

"The name CORINTH was adopted.

"The charge was delivered by the moderator, Rev. Thomas Carrick.

"The members then gave to each other the right hand of fellowship.

Brother H. J. Dixon, a former deacon of Mineral Springs Church, was elected deacon without ordination.

"By ballot, Brother Carrick is elected pastor. Other offices are: N. R. Dixon, Clerk, and T. Ira White, Treasurer, and O. D. Clark, Finance Committee.

"It is voted to have church services at 11:00 o'clock A. M. on each Fourth Sunday, and at 3:00 o'clock P. M. each Saturday before.

"Adjournment."

(Dr. G. W. Paschal, Clerk)

The minutes of the business conference held in April, 1919, reveal that "because of some dissatisfaction in regard to the name 'Corinth' which was formerly given this church, the name is changed to OAKLEY."

Sunday School and worship services continued to be held at the schoolhouse until the church building was completed.

Some important activities of the church:

First revival held in August, 1919. Dr. Forrest Feezor was the visiting minister. The schedule for services were: Prayer meeting, 10:30 A. M., preaching 11:00 A. M., and 2:00 P. M. The first baptismal service September 1919.

Oakley was received into the Sandy Creek Association in October, 1919.

Dedication services were held on Sunday, May 29, 1921. Walter M. Gilmore and W. J. Todd delivered the messages.

In 1926, the Sandy Creek Association met at Oakley Church for the first time.

The interior of the church was remodeled and five Sunday School rooms added in 1944. Again in 1954 a building program was launched, with four class rooms and a nursery being added.

On November 11, 1945, a presbytery composed of Rev. Hughey O. Miller, Rev. Carl Lee Ousley, Rev. James C. Edwards, Rev. Roy A. Morris, Rev. John C. Kidd, Rev. Walter L. Warfford, and Rev. George M. Graham ordained the late Claude Greason as minister.

SHORT HISTORY OF THE
ROCKY RIVER BAPTIST CHURCH BUILDINGS,
PREPARED FOR THE LAYING OF THE CORNER
STONE ON SUNDAY, AUGUST 14, 1955

By

Mrs. Glenn Duncan

Rocky River Baptist Church is one of the oldest churches in the Southern Baptist Convention. There is disagreement over the date of its early beginning. Elder George W. Purefoy, who wrote the history of the Sandy Creek Association from 1758 to 1858, stated that Rocky River Baptist Church was constituted in 1757 as an arm of the old Sandy Creek Church which Elder Shuball Sterns constituted in 1755. But according to beliefs which has come down from parents and grandparents of the oldest members in this church, Rocky River Church was constituted the next year after Sandy Creek Church, which was in 1756, by the same Shuball Sterns, while he was in Sandy Creek. This seems likely to the belief of the oldest members since Sandy Creek Church was located west or north west of the present town of Staley, N. C. and only about three or four miles away.

There have been three buildings and two remodelings. The first church was a log structure, located in the southeast corner of the present old cemetery, and the foundation stones are still there.

The date of the second building is also unknown. It was a frame structure and faced South. This building was papered inside with wall paper in 1896 and repaired and repainted in 1897.

In May 1917, a committee composed of C. E. Duncan, J. W. Teague, W. C. Teague, S. T. Culberson, and J. J. Culberson, was appointed "for the purpose of considering what and how much improvement might be made on the old church building" (The second building). This committee reported that several improvements needed to be made. In September 1917 the church voted to build a new building and a special building committee was appointed. The new building, the third, was completed in 1918 at a cost of \$1,685.00. It was a frame structure facing east and had a small wing on each side of the pulpit.

In 1936, this building was remodeled. The front door was changed to the west side, since the new road was on the side of the church; a porch was built; the pulpit and wings were moved to the opposite or east side (rear) of the church, and Sunday School rooms added across the back with doors entering into the Sanctuary. There were eight rooms in all. The cost was approximately \$1,500.00.

The last remodeling was completed in 1955 and came about in a unique way. The Young Peoples Sunday School Class had been having monthly class meetings for several years. At these meetings a religious program was given, class business discussed, and games enjoyed and refreshments were served. The members

talked about and wished for a building where they could have their meetings and socials instead of using the church Sanctuary. They began to raise money and soon \$2,000 was on hand to pay for a building. The plan was then presented to the church in conference in March 1948, and permission was given the Fellowship Class to build a Fellowship House.

Plans were discussed over a period of time, but nothing definite was undertaken, for the general feeling was that the church building needed improvements remodeling, more Sunday School rooms, heating system, water, kitchen, nursery, recreation room, etc. Finally, Vernon E. Lewis, young architect of Burlington, and member of the class, drew up plans for an extensive remodeling and building program. In June 1951, the drawing presented to the church in conference and it voted to cooperate with the class in the proposed undertaking. What started out as a class project became a church-wide building program.

The following committee was appointed in May 1952: Finance, Heber Buckner, chairman. Raymond Clapp, Mrs. H. H. Buckner, Jr., Wrenn Brewer—Building, Robert Edwards, chairman, L. D. Teague and Mrs. Glenn Duncan, (Fellowship Class Teacher.)

This construction was completed in 1954-1955, in two units, at a total cost of approximately \$31,745.53. The first unit consisted of remodeling of the Sanctuary, building of choir loft, choir robes rooms, baptistry, fellowship hall, kitchen with cabinets, hot and cold water, nursery, toilets, hot air heating system, modern lighting and drilling a new well. This unit was completed and paid for by November 1954. The new wing containing eight large Sunday School rooms was started early in 1955 and completed by June. The whole building was finished in brick. Memorial windows, donated by various members, added to the beauty of the Sanctuary. In order to help finance the program, three fall Harvest Festivals were held.

November 1952	\$1,159.32
October 1953	528.88
October 1954	2,053.97

The Lord's Acre plan was started in the spring of 1955. There is a small amount of around \$5,000.00 due on the second unit and prospects are in view for clearing of this by the end of 1955.

From the County Seat at Pittsboro records of deeds of land to Rocky River Church show that the earliest recorded deed was made in November 1843 from William Teague to Rocky River Society of Missionary Baptist Church, deed AF 447. Other deeds recorded are as follows:

December 5, 1914—Rocky River Missionary Baptist Church from Daisy V. Short, quick claim deed FB478.

December 5, 1914—Rocky River Baptist Church from D. F. Teague, deed FB 478.

June 2, 1919—Rocky River Baptist Church from W. C. Teague, deed FB200.

March 2, 1922—Rocky River Baptist Church from J. M. Hackney, deed GB88.

July 13, 1951—Rocky River Baptist Church from Daisy Short, deed.

POSTSCRIPT ADDED LATER

Due to unforeseen circumstances, the laying of the corner stone planned for August 14, 1955 was not held. Therefore the church decided to postpone this event until the debt was paid and have it in connection with the dedication ceremony.

In going over the record of the last construction, it was found that Mr. Lewis Smith was a member of the original finance committee. Additional members were added later. These included Mrs. Paul Bare, Mrs. Marion Johnson and Miss Elve Jean Culberson.

In August, 1955 there was a balance of around \$5,000.00 due on the second unit of construction. Extensive plans were made to clear this amount as soon as possible. In the fall of 1955 another harvest festival was held and \$3,184.48 was raised. The third Sunday was still set aside as Building Fund Sunday when all collections were turned over to the building fund. This had been the practice since the beginning of the building program. By June, 1956 the last dollar of indebtedness on this program was paid. The total amount was \$36,436.48, included money spent on the well, new and remodeled constructions, plus interest. The Memorial windows added in 1956 cost approximately \$270.00. On August 6, 1956, the floors of the sanctuary and wings were refinished, new pews and choir chairs and pulpit furniture were installed, costing \$2,933.17. The pulpit furniture was given as a memorial.

On August 12, 1956 a service, long to be remembered, was held. At 11:00 o'clock the laying of the corner stone, followed by the burning of the note and a dedication sermon by Rev. C. W. Bazemore. The annual revival services began in the afternoon.

Truly it is said, "He who labors for the Lord, labors not in vain." Two hundred years have elapsed since the placing of the corner stone of the first church. Many noble deeds have been done, many sacrifices and heartaches have been endured; countless saints have gone to their reward. The fields are still white into harvest. But that is a story in itself and can be found elsewhere. This story ends with a picture of a beautiful brick structure spreadout on a slight hill in a green grove, opening wide its doors to the opportunities for serving the Lord.

May the words of the song ever stand forth as a guide and challenge to all who become a part of this Rocky River Baptist Church in the years to come.

The church's one foundation
In Jesus Christ her Lord,
She is his new creation
by Spirit and the Word.
From heaven he came and sought her
To be his holy bride;
With his own blood he bought her
And for her life He died.

Mr. J. H. Scott was the Building committee chairman. He did a very fine job looking after everything until it was finished.

HISTORY OF MONCURE BAPTIST CHURCH

Moncure Baptist Church was organized on the fourth Sunday in February 1913 in the old school house which was standing on the lot where the present church building now stands. The presbytery organizing the church consisted of Dr. Hight C. Moore and Rev. W. R. Beach. After the reading of the Scripture and a prayer by Dr. Moore, the meeting was called to order by Mr. Beach. Twenty-eight members presented letters of dismissal from sister Baptist Churches and became the charter members of the Moncure Baptist Church. After its organization, the church extended a unanimous call to Rev. W. R. Beach to be the first pastor, and he accepted. M. T. Wilkie was elected church clerk and C. C. Poe, treasurer.

The first revival services, held by Rev. W. R. Beach in the old school house, began the second Sunday night in August of 1913. At the close of the week's meeting, the doors of the church were opened and seventeen joined the church. Three joined by letters and fourteen by baptism.

On Tuesday evening, July 8, 1913 the church assembled in conference and decided to purchase a lot and build a house of worship. A building committee of the following men was elected: T. W. Churchill, C. C. Poe, C. D. Wilkie, John Bell, and M. T. Poe.

The first delegates to the Association were: C. C. Poe, T. W. Churchill and S. J. Harmon. At the session of the Sandy Creek Association held with Mt. Pleasant Baptist Church on October 2, 1913, the Moncure Baptist Church was received into the Association. At that time the church had 52 members, showing a gain of 24 members since its organization.

At the regular church conference on January 4, 1914, the building committee reported the purchase of a lot. By February 1 a plan had been decided upon. By July the building materials had been collected, and the actual construction of the building was begun.

The first revival meeting was held in the new building in September 1914. Rev. R. R. Gordon, who was then pastor, held this meeting. In November of the same year the church extended a call to Rev. W. B. Waff. He accepted and filled his first appointment on the first Sunday in January 1915.

On the first Sunday in May 1915 at a regular conference, C. B. Crutchfield, C. C. Poe, C. D. Wilkie, C. C. Thomas, and J. H. Churchill were elected the first deacons of the church. They were ordained by Rev. W. B. Waff and Dr. E. Dodson Poe in July 1915. Rev. Waff served the church four years. Under his guidance and leadership the church grew in membership and the debt was paid off. The church was then dedicated at a special service on May 4, 1918. Walter N. Johnson preached the dedication sermon. The membership had grown to 107 active members.

Following Rev. Waff as pastor was Rev. H. W. Williams. Then Rev. R. R. Gordan came back, this time as supply pastor until Rev. Jessie Blalock was called. After Rev. Blalock the following served as pastor in this order: Rev. T. Y. Seymour, Rev. George Griffin, Rev. O. A. Keller, Rev. Edward Humphrey, Rev. J. L. Walter Moose, Rev. Julius H. Corpening, and Rev. V. W. Parrish. Rev. Robert Mobly, the present pastor, was called in May 1956. Of the above, several were college or seminary students while they were serving as pastor: Rev. George Griffin, Rev. Edward Humphrey, Rev. J. L. Walter Moose, Rev. V. W. Parrish, and Rev. Robert Mobley.

Many of the improvements made during the years in which these men served as pastors have come to be associated in the minds of the members with the pastor serving the church at the time the improvements were made. During the time Mr. Keller was pastor, red carpeting was bought for the aisles and the pulpit, and the first Sunday School rooms were built.

Rev. Edward Humphrey was preparing for the mission field when he came to preach at Moncure. Later he and his wife, the former Rachel Thompson, became foreign missionaries to Nigeria.

The church was painted and the roof repaired and also painted while Mr. Moose was pastor. The greatest improvement during his stay, however, was the installation of gas heating system.

When Mr. Corpening was pastor, additional Sunday School rooms, two bathrooms, and a baptistry were planned. This work was not completed until after Mr. Parrish became pastor.

A church model Hammond Organ was purchased by the church in August 1956. A still more recent project was the improvement of the grounds surrounding the church. Early in the spring of 1957 the lawn was leveled and sown in grass. A brick wall was built around the church yard, and the church was underpinned.

Several gifts to the church deserve recognition. Mrs. Worth Kelly and Miss Elizabeth Thomas gave a picture of Christ in the Garden of Gethsemane in memory of their parents, Mr. and Mrs. Charles C. Thomas. Mrs. J. B. Powers and Mrs. J. F. Dickens gave a painting for the baptistry in memory of their husbands who had been deacons and faithful members of the church. The church has four memorial windows. Two were given in memory of J. H. Whistler and two, in memory of Mr. and Mrs. George W. Giede. Mrs. Julia Lassiter and her daughter Tamar gave the large Bible for the pulpit stand; Mrs. C. B. Crutchfield, the bell; M. T. Poe, the table; and Mrs. Joe Hackney, the lamp for the pulpit stand. Mrs. Julia Poe McMillan, a former member of the church, with her husband have made from time to time large donations to aid in the improvement of the church. Mrs. Myrtle Poe Linder, also a former member of the church, made a generous donation to the Organ Fund.

The present members of the church owe much to the members who have gone before them given their gifts of money, time, and service as a worthy contribution to the Lord's work through Moncure Baptist Church.

HISTORY OF THE PITTSBORO BAPTIST CHURCH

In 1847 a few brethren of the Baptist faith in the community banded together and resolved to organize a church. Under the leadership of William Lineberry and George Purefoy plans for the erection of a meeting house were made. R. C. Poe, John Thompson and P. W. Dowd constituted the building committee. Several months after the church was completed a severe windstorm raised the roof of the church. Not until 1878 did the church recover; the church being re-organized and remodeled. Mr. and Mrs. W. F. Foushee, and three eldest daughters, Emma, Annie, and Susie, Mr. and Mrs. Stephen Henley and two daughters, Nannie and Ella were the only members at that time.

In 1898 a Woman's Missionary Society was organized by Miss Fannie E. S. Heck, WMU president of the Southern Baptist Convention. Mrs. H. T. Chapin was the first WMS President. William Straughan was the first Sunday School Superintendent. Several men have followed Mr. Straughn as Superintendent of Sunday School. Miss Ella Hendley was the first Organist, and seven Organists have served the church. The first pastor was Rev. Elias Dobson in 1878; the Rev. Cihen, 1879; Rev. Moses Baldwin, 1883-88; The Rev. Barrett; The Rev. William Watson; The Rev. D. T. Edwards; The Rev. F. M. Royal; The Rev. N. B. Cobb, 1892-96; The Rev. C. L. Greaves, 1897-99; The Rev. D. C. Britt, 1899-01; The Rev. W. E. Woodruff, 1901-02; The Rev. W. L. Hayes, 1903; The Rev. E. Y. Pool, 1904-05; The Rev. L. M. Hobbs, 1906; The Rev. R. B. Lineberry, 1907-12; The Rev. F. B. Raymond, 1913-16; The Rev. W. B. Waff; The Rev. R. R. Gordon, 1923-26; The Rev. R. Paul Caudle, 1930-32; The Rev. T. Y. Seymour, 1933-36; The Rev. George J. Griffin (few Months); The Rev. W. W. Finlator, 1937-41; The Rev. K. E. Bryant, 1942-54; The Rev. Harold W. Tribble, Jr., 1954-57. A member of the Pittsboro Baptist church, Miss R. Pearl Johnson served as a foreign Missionary in Shanghai, China. Victor R. Johnson served as Moderator of the Sandy Creek Association for a number of years.

The church held its Centennial Celebration on June 29, 1947 with appropriate services.

In 1948 the old church building was torn down, and a new modern church sanctuary and educational plant was erected. The dedication service was held September 25, 1955.

At present, 1957, Fred Nooe is serving as Superintendent of Sunday School; Mrs. Will Bland as Organist; G. H. Andrews as Chairman of Board of Deacons; Mrs. Sam Beard as President of the WMS, and Mrs. C. E. Jones, Church Clerk.

Commemorating the 43rd anniversary of the Hickory Grove Baptist Church August 29, 1954.

Hickory Grove Baptist Church was organized December 10, 1911 with the following officers elected: Church Clerk, Franklin Phillips; Treasurer, G. H. Hancock; Deacons, B. A. Brewer and Berry Tally; Trustees, C. M. Andrews; G. H. Hancock; Jessie Phillips; B. A. Brewer; Berry Tally. Building Committee, Jessie Phillips; G. H. Hancock; G. M. Andrew. Pastor called for the year 1912—L. P. Soots.

Members of our church bought timber from Mrs. Paralee Hancock and cut and sawed logs themselves to build the church.

When the committee appointed went to find out about obtaining timber, snow covered the earth. The few members (about six) who cut and sawed the logs had lumber at the church site before the snow melted.

Work on the church building was begun in January 1912, and by early summer, Sunday school was being held in the new building.

Hickory Grove Baptist church was built by free labor and cash and other donations by the members and well-wishing friends. No financial assistance came from other churches. Finished lumber for the inside work was hauled on wagons from South Carolina and donated by John Dunlap.

With the labor, cash and some materials being donated, the church was completed debt-free. We are grateful that the Lord has blessed us to keep this same record of not placing our church in debt until this day.

Our church women also showed their interest in the work by making quilts and selling them to raise money for the building.

The four members of our church who have answered the call to God to preach the Gospel are: William F. Hancock; Ernest D. Hancock; Colon C. Hancock and Claude Johnson. We thank the Lord for these who are still preaching the true Gospel of our Lord.

Several other preachers preached their first sermon in the Hickory Grove Baptist church. We are grateful for them also.

May we the present membership of this church continue to humble ourselves so that the Lord may continue to bless us for His glory.

"He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty." Psalm 91:1.

EMMAUS BAPTIST CHURCH HISTORY

Mrs. Ava Bray Church Clerk

Emmaus Baptist Church was organized July 26, 1833 with 30 members. The organization of the church came as a result of a revival held in the community in 1832 by Elder William Merritt of Rock Springs Church. Rock Springs is thereby the mother church.

The church was constituted by Merritt William Hooper and Thomas Weaver and had 30 charter members. (Websters, Clarks, Smarts, Stones, Pettys, De-

Graffenreidts, Elmores, Foushees, and Moores). The record shows that there were also some colored slave members. Ann Y. DeGraffenreidt gave the land for the church.

In the latter part of the nineteenth century a new building was needed. Some material was provided, but due to unfavorable circumstances the lumber was misplaced. Pastor L. R. Dixon saw the need and urged the people to build a new church. He appointed a building committee and the new church was completed around 1901. The membership grew and some years later four Sunday School rooms were added.

In the spring of 1948 the church voted to build a new building. The foundation was laid on July 7, 1948 at a service conducted by the Pastor, R. R. Gordon. The first service was held in the new building the first Sunday in May, 1949.

The church has been paid for and an organ has been purchased since that time. In early spring of 1956 a new well was drilled to furnish water for the present building.

In recent years the church has sent out three young men into special fields of Christian Service. On February 20, 1955, Brother Robert Bouldin, present pastor of the Rives Chapel Church, was ordained at Emmaus to preach the gospel of Christ. On September 9, 1956, Brother Bruce Clark was licensed by the church to preach. He is presently enrolled at Campbell College. Brother Lester Lindley is also enrolled at Campbell preparing himself for religious education.

The pastors of the church have been: William Merritt, (Founder), Enoch Crutchfield, Thomas Weaver, William Dupree, William Brooks, William Lineberry, J. M. Holman, John C. Wilson, R. A. Moore, Moser Baldin, J. L. Smith, O. T. Edwards, Stephen Gilmore, William Smith, L. R. Dixon, R. P. Ellington, W. H. H. Lawhorn, C. E. Byrd, R. R. Gordon, G. C. Primm, Harry E. Byrd, B. G. Campbell, Jr. (present pastor).

HISTORY OF THE FIRST BAPTIST CHURCH SANFORD, N. C.

On December 3, 1893, under the direction of a "presbytery consisting of Elders I. T. Newton, J. V. Devenny and C. J. F. Anderson," the Sanford Baptist Church was organized. There were fifteen charter members, coming by letter from the Cool Springs and Apex Churches: Mr. and Mrs. Tom Bell, Mrs. Emma Watson Dodd, Mr. and Mrs. Giles Foushee, Mrs. Sarah Mann, Mr. and Mrs. N. T. Moore, Mr. Joe Rogers, Miss Alice Weatherspoon, Mr. J. R. Weatherspoon, Mr. and Mrs. Sidney Weatherspoon, Miss Sue Weatherspoon and Mr. Walter Moore.

During the first decade the membership, increased to more than 100. The records show that on August 1, 1904, there were 106 members, three of whom are still resident members: Miss Florence Glass, W. T. Glass and Mrs. Lee G. McIver.

The first house of worship was erected about 1896 under the ministry of Dr. C. L. Greaves who was pastor of the church during the years 1896-1898. This church building was located on the site now known as the Masonic Temple Building at the corner of Cartage and Steele Streets.

As the town of Sanford continued to grow and the membership of the church increased, it soon became evident that this location and the capacity of the house of worship could not long adequately serve the best interests of this worshipping congregation and the work of the Lord which it sought to maintain and promote.

So, about 1917, many members became conscious of the need of a new church building, or a new church building on an altogether new site, and obligated themselves to purchase and maintain shares of stock in the Sanford Building and Loan Association as an accumulating fund wherewith to build a new house of worship. Now, faithfully and regularly these members continued their contributions for more than eight years before the building was begun, and by 1925 these contributions amounted to more than \$25,000.

In the course of time, a Building Committee consisting of W. A. Crabtree, Charles C. Cheek, D. B. Teague, Mrs. J. U. Gunter and Mrs. P. H. St. Clair was appointed by the church, a new site at the corner of Summitt Avenue and Steele Street was agreed upon, and the contract for the erection of the present building was let on June 15, 1924. The Rev. R. H. Herring was then pastor, and the first service in the new church was held Sunday, June 28, 1912.

The initial cost of this church property, included pews and the organ, was about \$110,000.00 so, after the proceeds of the sale of the old church building, and the real estate owned by the church, and cash contributions and building and loan funds, and income from all other sources were gathered together and applied toward the cost of the new church building and grounds, it was found that the church still owed \$40,500. The story of how the church for the next seventeen years (at least seven of them being very lean years) maintained the regular worship services of a full-time pastor, made regular contributions to benevolences, and liquidated in full this principal church indebtedness of \$40,500 plus all accumulated interest without default of a single installment when due, is the story of self-denial and of faithful and sacrificial giving on the part of the church membership. The entire church indebtedness was paid on January 29, 1942, and on April 12, 1942, the church held an appropriate dedication service.

With the growth of the Sunday school, in January, 1953 a Building Committee was elected to secure plans and make plans for an educational building to be built adjoining the church building on Steel Street. D. C. Holler was named as Chairman of that Committee. In March, 1956, the educational building was completed at a cost of approximately \$125,000 including furnishings and equipment.

The Sunday School, which had its beginning with 15 members about a year after the church was established, now, 64 years later, has an enrollment of a 1,000; and the church library, opened on the last Sunday in July, 1942, has more than 4,000 volumes. The Woman's Mission Union enrollment numbers around 350 with the Training Union enrollment of 170.

The following ministers have served as pastor of the church: Rev. C. J. F. Anderson (1893); Dr. C. L. Greaves (1895-1898); Rev. C. A. G. Thomas; Rev. W. L. Hayes; Rev. E. Y. Pool (1904-1905); Rev. J. N. Haymore (1906-1907); Rev. J. R. Edwards (1908-1911); Rev. J. B. Willis (1912-1917); Rev. Walter M. Gilmore (1918-1923); Rev. R. H. Herring (1924-1927); Rev. Frank C. Hawkins (1928-1934); Rev. Ronald E. Wall (1935-1943); Rev. Yancey C. Elliott (1943-1951); Rev. W. Wilbur Hutchins (1951-).

SHUBAL STEARNS—SANDY CREEK'S SEPARATE BAPTIST LEADER

By Henry S. Stroupe, Wake Forest College

Note: This historical sketch was read by Dr. Stroupe at the 200th anniversary celebration of Sandy Creek Church, November 13, 1955.—EDITOR.

The most significant landmark in North Carolina Baptist history in the eighteenth century was the founding of Sandy Creek Church in present Randolph

County in 1755 by Shubal Stearns and his band of Separate Baptist immigrants from New England. We are indebted for most of our information concerning Stearns to Morgan Edwards, Baptist minister from Philadelphia who traveled in North Carolina in 1771-1772 and left a manuscript entitled **Materials Toward the History of the Baptists of North Carolina**.

Other early works used in this paper include Robert B. Semple, **A History of the Rise and Progress of the Baptists in Virginia** (1810), and David Benedict, **A General History of the Baptist Denomination in America . . .** (1813). The best recent works are Hugh T. Lefler and Albert Ray Newsome, **North Carolina** (1954), for general history, and George Washington Paschal, **History of North Carolina Baptists** (1930), for denominational history.

The Historical Setting

At the time of Stearns' arrival, North Carolina was still a British colony, with Arthur Dobbs serving as His Majesty's governor for the province. Dobbs had arrived at Newbern on October 31, 1754, at which time North Carolina was in a state of vigorous growth in wealth, production, and population. The inhabitants numbered not less than 100,000, of whom four-fifths were white. Immigrants were pouring into the central and western sections where from twenty to thirty thousand colonists had established homes.

Of the first settlers in the Piedmont area a considerable portion came in well-defined religious groups—Quakers to New Garden (now Guilford College), Moravians to Salem, and Lutherans and Presbyterians to the Yadkin and Catawba River county. The settlers in the present counties of Randolph and Chatham were predominantly English and nominal adherents of the Anglican Church. Among the early arrivals in the Piedmont was a colony from New Jersey which occupied lands on the Yadkin in the present county of Davidson. Known as the Jersey Settlement, this community included several Particular or Calvinistic Baptists, who shortly before Stearns arrival had established worship.

War and Controversy

Unfortunately for the peace and security of a portion of the province the French and Indian War broke out the same year that Dobbs arrived. North Carolina was totally unprepared for war and at first could do little besides call on the King for aid. In 1759 many murders were perpetrated by the Indians along the Catawba and Yadkin. In fact, many settlers were forced to seek refuge to the eastward in the present counties of Guilford, Alamance, Chatham, and Randolph, where some made their permanent homes.

John Gano, who had been sent in 1754 by the Philadelphia Association as a missionary to North Carolina, fled from the Jersey Settlement and returned to his home in New Jersey. Finally, in 1761 an army of some 2,600 men subdued the Cherokees in a fierce battle fought near the present town of Franklin.

During the 1750's and 1760's the sectional controversy between the East and the back country that culminated in the Battle of Alamance also raged in North Carolina. There were fundamental differences between East and West. The East was settled largely by Englishmen who had come from Virginia and by Scotch Highlanders from the old country; its plantation economy was based on Slave labor. The West was largely of Scotch-Irish and German stock, with an economy which emphasized small farms and free labor. Religious differences also existed, for the Anglican Church was relatively strong in the East but almost nonexistent in the back country.

A controversy arose over the location of the colonial capital, with Governor William Tryon, Dobbs' successor, deciding the issue by recommending Newbern.

The assembly passed, in spite of violent opposition from the inland counties, an act for erecting in Newbern an official residence for the governor. The fact that a poll tax of eight pence was levied to pay for the structure made it the more odious in the West, where money was scarce.

The assembly was able to control the government in the interest of the East because the older eastern counties, despite their smaller populations, had five representatives each to the two allowed each western county. The dispersion of the Separate Baptists which resulted from the defeat of the Regulators at Alamance will be referred to later.

Religious Conditions in North Carolina

Prior to 1750, organized religion had made little progress in North Carolina. The governors had made repeated efforts to establish Anglican churches but with slight success outside the coastal plain. The Church of England made little appeal to the common people and had few ministers. The significant development in the religious life of colonial North Carolina was the growth and spread of dissenting groups, notably Quakers, Baptists, Presbyterians, Lutherans, Moravians, German Reformed, and Methodists.

The attitude of at least one Anglican clergyman toward these people was indicated by Parson Reed's statement written from Newbern in 1760: "The anabaptists are obstinate, illiterate and grossly ignorant, the Methodists ignorant, censorious and uncharitable, the Quakers rigid, but the Presbyterians are pretty moderate except here and there a bigot or rigid Calvinist . . . I have estimated the number of Infidels and Heathen to be about 1,000."

According to Morgan Edwards, there had been some individual Baptists in North Carolina since the province began to be settled, which was about 1660. But no congregation is known until 1727, when the Chowan Church, near present Cisco in Chowan County, was founded by Paul Palmer, the earliest recorded Baptist minister in North Carolina.

Two years later Shiloh Church in present Camden County was begun by Palmer. For several years this "Baptist teacher," as Governor Everard called him, traveled, preached, baptized, and held meetings "daily in every part of this Government." The Anglicans tried to stop Palmer's religious activities, but he appealed to the English Toleration Act and was granted a license to preach by the governor.

During the next two decades, other Baptist missionaries, notably Joseph Parker, Josiah Hart, Robert Williams, and William Sojourner carried on the work which Palmer had so effectively begun. All of these ministers were General Baptists, who preached the Arminian doctrine of "a salvation free to all, asking no other evidence of repentance than a desire to be baptized." Their major activity was in the Albemarle Sound region and the lower Roanoke Valley. So successful were they that by 1752 they had established 16 congregations and claimed several hundred members.

About the middle of the eighteenth century, the Particular Baptist who emphasized Particular election" and other Calvinistic doctrines, became active in the colony, primarily through the activities of John Gano and the other missionaries sent to North Carolina by the Philadelphia Association. During the 1750's most of the General Baptists in North Carolina were transformed into Particular Baptists. Both Gano and Robert Williams, a staunch Calvinist from Welsh Neck in South Carolina, enjoyed considerable success in gaining adherents throughout Eastern Carolina. The Kehukee Church in Halifax County was the first to embrace the "doctrine of grace" and was soon followed by most of the other General Baptist churches.

A necessary step in the transformation of a General church into a Particular body was its adoption of a church covenant, the first part of which was a statement of a system of Calvinistic theology in its most rigid form, and the second part a covenant proper in which the strictest discipline was prescribed. The doctrines accepted were those contained in the Confession of Faith adopted in 1742 by the Philadelphia Baptist Association. Those few ministers and members who clung to the practices of the General Baptists became the forerunners of the present Freewill Baptists of the state.

The Arrival of The Separates

The most significant event, however, was the founding of Sandy Creek Church by the Separate Baptists. Who were the Separate Baptists. The term "New-Light" or "Separates" was applied about 1740 to the New Englanders who became followers of George Whitefield, the celebrated English religious reformer. The expression "New-Lights" came from their emphasis upon the possibility of individual inspiration and enlightenment through the Holy Spirit.

They were called "Separates" because of the desire to separate themselves from the Congregational Church, which at that time was established by law in the New England colonies, and organize separate societies. Their religious views were characterized by an intense devotion to evangelism. Many of these reformers adopted Baptist practices and thus became known as Separate Baptists. Although bred a Presbyterian, Shubal Stearns fell under the influence of Whitefield's evangelical zeal and became first a New-Light, then a New-Light or Separate Baptist. Within a short time Stearns emerged as the recognized leader of the Separate Baptists.

Only a few facts about Stearns' early life are known. He was born January 28, 1706, in Boston, the son of Shubal Stearns and Rebecca Larriford Stearns. He married Sarah Johnstone but left no issue. Already a New-Light, he became a Baptist in 1751 and was baptized by Wait Palmer at Tolland, Connecticut. On March 20 of that year he was ordained in the same town by Palmer and Joshua Moss (or Morse). Stearns emphasized in his preaching the doctrine of the new birth, believer's baptism, free justification, and the autonomy of each congregation.

According to Benedict, Stearns believed that to those who sought him earnestly, God often gave clear indications of his will. Listening to some of these instructions of heaven, as he called them, Stearns believed himself called to move far to the west to undertake an extensive work. Accordingly, in 1754 he and a few of his members moved to Opeckon, Berkeley County, Virginia, where he found a Baptist church in existence. Here also he met his brother-in-law, Daniel Marshall, who had just returned from a mission among the Indians. Stearns and Marshall joined companies and settled for a short time in Hampshire County, where they did not, however, meet with the expected success.

Stearns soon learned from friends who had moved to the Piedmont section of North Carolina that preaching was greatly desired, that in some instances the people rode horseback for 40 miles to hear one sermon, that for a hundred miles there was no meeting house of any kind. Thus motivated, Stearns and his party got under way once more and traveled to Sandy Creek in present Randolph County. They arrived November 14, 1755. The company included eight families, of which the following were the adult members: Shubal Stearns and wife, Peter Stearns and wife, Ebenezer Stearns and wife, Shubal Stearns, Senior, and wife, Daniel Marshall and wife, Joseph Breed and wife, Enos Stinson and wife, Jonathan Polk and wife.

Stearns home was probably on the new road from Cape Fear to the Moravian settlement. Within a few weeks this closely knit group of immigrants had completed a small meeting house, which they called Sandy Creek, and formed themselves into a Separate Baptist church of sixteen members, with Shubal Stearns as pastor and Daniel Marshall and Joseph Breed as his assistants. In 1762 a larger building, 26 feet by 30 feet, was erected near the first. This second building was located on the land of Seamore York.

The inhabitants around this colony knew little of the principles of the Christian religion. The Separates brought strange things to their ears. To be born again appeared as absurd to them as it did to the Hebrew doctor when he asked if he must have a second physical birth. They could not comprehend how it should be necessary to feel conviction and conversion, points which were strenuously advocated by the new ministers.

The Separate Baptists practiced the nine following rites: baptism—the Lord's Supper—love feasts—laying on of hands—washing feet—Anointing the sick—right hand of fellowship—kiss of charity—and devoting children. But their manner of preaching was, if possible, more novel than their doctrines. The Separates in New England had developed a warm and emotional address, accompanied by strong gestures and a singular nasal tone of voice, the so-called "holy tone." Being deeply affected themselves when preaching, they often induced in their hearers feelings expressed by ears, trembling, screams, and acclamations of grief and joy.

Morgan Edwards tells us under the heading "Sandy Creek" that "the neighborhood was alarmed and the Spirit of God listed to blow as a mighty rushing wind in so much that in three years time they had increased to three churches, consisting upwards of 900 communicants, viz: Sandy Creek, Abbot's Creek, Deep River. The most remarkable events are these. (1) It is a mother church, nay a grandmother, and a great grandmother. All the separate baptists sprang hence: not only eastward towards the sea, but westward towards the great river Mississippi, but northward to Virginia and southward to South Carolina and Georgia. The word went forth from this sion, and great was the company of them who published it, in so much that her converts were as the drops of morning dew. The first church that sprang hence was Abbot's Creek, then Deep River, Little River, New River, Southwest, Trent, Staunton-river, Va., Fall-creek, Va., Dan-river, Va., Grassy-creek, John Waller's church, Va., Amelia, Va., Fair-forest, S. C., Congaree, S. C., Stephens-Creek, S. C., Shallow-fords, etc. . . ." In the seventeen years between 1755 and the date Edwards wrote his account, 42 churches and 125 ministers had "sprung from the parent church," which was indeed "the mother of all the Separate Baptists" in the South.

To amplify Edwards' accounts, Abbott's Creek, in present Davidson County, was at first only an arm of Sandy Creek, but it developed so rapidly that within a year the people petitioned the mother church for independent status and for Daniel Marshall as their pastor. After some difficulty in finding an ordained minister to assist Stearns in the ordination of Marshall, the petition was granted. Marshall later preached effectively in Virginia and South Carolina also. Still later he moved to the vicinity of Augusta, Georgia, where he was joined by a group of Separates from North Carolina led by the ministers Joseph Breed and Phillip Mulky.

Others who were inspired by either Stearns or Marshall to become itinerant preachers included James Reed, Dutton Lane, founder of the first Separate Baptist church in Virginia, and the distinguished Samuel Harris of Virginia. In Stearns, Marshall, and Harris the Separates had three especially outstanding

leaders, men who were not so much distinguished for intellectual attainments, but for purity of life, godly simplicity, fervor, boldness, and perseverance in their Master's service.

Founding of Sandy Creek Association

While his followers were working elsewhere, Stearns maintained his station at Sandy Creek. Often, however, he traveled a considerable distance in the country around to assist in organizing and regulating the churches which he and his associates founded. In a few years the Separates became truly a great people, with churches scattered from the Potomac to the Savannah. Although not a Separate himself, Morgan Edwards was convinced that the activities of the Sandy Creek men were without parallel among instances of the success of the gospel anywhere in the world in modern times.

In 1758 Stearns, almost entirely by his own efforts, founded the Sandy Creek Association. The only Baptist association in the South prior to that time was the Charleston, which had been established in 1751. Although different dates for the founding of the Sandy Creek Association are given by Semple, Backus, and others, Morgan Edwards wrote convincingly in 1772 that the organization was formed "in 1758, in June 2nd Monday, at Sandy Creek, and therefore called the Sandy Creek Association."

Professor Paschall presents strong indirect evidence in support of the 1758 date. Soon after Stearns' followers began to multiply, he reached the conclusion that an association composed of delegates from the churches and their branches would tend to further the object of their labors. Accordingly, "he visited each church and congregation, and explaining to them his contemplated plan, induced them all to send delegates to his meeting house in January, 1758, when an association was formed." and called Sandy Creek.

It appears, therefore, that there was a preliminary meeting in January, 1758, attending by delegates from Sandy Creek, Abbott's Creek, and Deep River, and a larger gathering in June to which came also delegates from Little River, Neuse River, Black River, Dan River, Grassy Creek, and Pittsylvania City and Lunenburg City in Virginia.

For twelve years all the Separate Baptists in Virginia and the Carolinas remained in this association, most meetings of which were held near where it originated. To quote Benedict: "By the means of these meetings, the gospel was carried into many new places, where the fame of the Baptists had previously spread; for great crowds attending from distant parts, mostly through curiosity, many became enamoured with these extraordinary people, and petitioned the association to send preachers into their neighborhoods."

The central figure in the preaching, exhortation, singing, and conversation engaged in during associational meetings was Shubal Stearns. James Read, who was present at the first regular meeting, wrote: "We carried on our association with sweet docorum and fellowship to the end. Then we took leave of one another, with many solemn charges from our reverend old father Shubal Stearns to stand fast unto the end." In 1770, largely as a matter of convenience, the Sandy Creek Association was divided into three distinct bodies, the General Association of Virginia, the Sandy Creek in North Carolina, and the Congaree in South Carolina.

Most that is known about Stearns as a person comes from Morgan Edwards. He tells us that Stearns was small in stature, personable, and sound in judgment. "Of learning he had but a small share, yet was pretty well acquainted with books. His voice was musical and strong, which he managed in such a manner as . . . to make soft impressions on the heart, and fetch tears from the eyes . . .

All the Separate ministers copy after him in tones of voice and actions of body . . . His character was indisputedly good, both as a man, a Christian, and a preacher. In his eyes was something very penetrating, which seemed to have a meaning in every glance, of which I will give one example; and the rather because it was given me by a man of good sense, I mean Tidence Lane.

"When the fame of Mr. Stearns' preaching (said Mr. Lane) had reached the Yadkin, where I lived, I felt a curiosity to go and hear him. Upon my arrival, I saw a venerable old man sitting under a peach tree with a book in his hand, and the people gathering about him. He fixed his eyes upon me immediately, which made me feel in such a manner as had never felt before. I turned to quit the place, but could not proceed far. I walked about, sometimes catching his eyes as I walked. My uneasiness increased and became intolerable. I went up to him, thinking that a salutation and shaking hands would relieve me; but it happened otherwise . . . When he began to preach, my perturbations increased, so that nature could no longer support them, and I sunk to the ground."

In such ways as these the influence of Stearns and the Separates spread quickly from Sandy Creek to Abbott's Creek, Deep River, Little River, Grassy Creek, Shallow Ford and beyond until the Piedmont area of the Carolinas and Virginia was dotted with churches. The Separates also made missionary Journeys into the territory east of the Haw and south of the Neuse, where a half dozen churches were founded by 1762.

Stearns himself journeyed repeatedly to eastern Carolina, and was often accompanied by Daniel Marshall. In the Colonial Records of North Carolina they are contemptuously referred to by James Reed as "strolling preachers imported from New England." Anglican clergymen reported the people "almost bewitched" by the preaching of the Baptists.

Regulators Leave North Carolina

The most important single step in the spread of the Separate Baptists was the Exodus of the Regulators from North Carolina after the Battle of Alamance. Edwards is the classic authority.

He wrote regarding the Sandy Creek Church: "It began with 16 souls; and in a short time increasel to 606 (which included its arms), spreading its branches to Deep River and Abbott's Creek, which branches are gone to other provinces; and most of the members of this church have followed them, in so much that in seventeen years it is reduced from 606 to 14 souls, and is in danger of becoming extinct. The cause of the dispersion was the abuse of power which prevailed in the Province and caused the inhabitants to rise in arms, and fight for their privileges; but being routed (May 16, 1771), they despaired of seeing better times, and therefore quitted the Province. It is said that 1,500 families departed since the battle of Alamance; and, to my knowledge a great many more are only waiting to dispose of their plantations in order to follow them."

These people established Baptist churches on the new frontiers in Tennessee, South Carolina, and Georgia. Joathan Mulky, a close follower of Stearns, became the early leader in Tennessee.

Conclusion

Stearns remained at Sandy Creek for sixteen years until his death, November 20, 1771. He was buried at Sandy Creek. These years had been devoted to preaching, sending forth his fellow ministers to preach, organizing churches, ordaining their ministers, and with a proper discipline seeing that all those gathered into churches were taught in all things that the Lord had commanded. He

understood both discipline and church government well. His greatest general contribution was the contagious enthusiasm with which he inspired his followers to carry the gospel into the wilderness near and far.

By the outbreak of the Revolution in 1775, the Baptists of one type or another had come to be the most numerous religious denomination in the Province of North Carolina, and are said to have had at least one church in each county, with a total of more than 40 churches. "The Baptists," wrote Professor Lefler, "had become the leading opponents of the Established Church. Their democratic organization and government, their local autonomy and religious democracy, had a great appeal to the common people and a marked influence on the growth of political democracy."

With the passage of time the distinction between Separate and Particular, or Regular as the Particular Baptists began to call themselves, was forgotten or disregarded. After the Revolutionary War the name Separate, which had never been used by Stearns' followers themselves, and the name New-Lights, which up until that time had been their more usual designation, were both allowed to fall into disuse. "And," to cite Professor Paschal, "such was largely the fate of all other distinguished words to denote Baptists. They were Baptists and nothing more."

Edwards noted that between Separate (Arminian) and Particular (Calvinistic) Baptists there had come to be little difference. "The faith and order of both are the same, except some trivial matters not sufficient to support a distinction, much less a disunion; for both avow the Century Confession and the annexed discipline." Thus Baptists have drawn their doctrines and practices from many sources.

Stearns, fresh from the revivalistic preaching of such Calvinists as Jonathan Edwards and George Whitefield, sought with remarkable success to combine evangelistic zeal with modified Calvinistic doctrines. We honor him today for his work in making religion vital and real in a frontier region where religious influences had been little felt prior to his time.

January 29, 1951

Mr. Clyde P. Stinson,
Goldston, N. C.

My dear Mr. Stinson:

This is in reply to your letter of January 25. It is pleasing to learn that your interest in the continuation of Purefoy's History continues and that you are active in that matter.

You make special inquiry about Dr. George W. Purefoy. Today I got from the College Library the enclosed statement, which is taken from Cathcart's Baptist Encyclopedia. It is rather brief but it contains the essential information you desire. It was written by Dr. T. H. Pritchard about 1883. I will add the following. Rev. John Purefoy, long lived near Wake Forest, and was instrumental in the formation of the Baptist State Convention of North Carolina, and in the formation of Wake Forest College. It was on his advice that the College was located at Wake Forest, and the original College farm of 615 acres bought from Dr. Calvin Jones in 1833. His son, James S. Purefoy, made his home all his life at Wake Forest, and for many years was Treasurer of the College. After the Civil War he made a trip to New York and Boston and collected much money for the endowment of the College. He built the College Hotel about 1858. He died in

March or April, 1889. George W., the oldest of the three sons, was an alumnus of the University of North Carolina at Chapel Hill and it was that institution, not Wake Forest, that conferred on him the degree of Doctor of Divinity. After the death of Elder William H. Merritt, who willed his farm just this side of Chapel Hill on the Pittsboro road, on Morgan Creek, to Wake Forest College in 1850, Elder G. W. Purefoy bought that farm from the College and lived there the remainder of his life. All his life Dr. G. W. Purefoy was an ardent Baptist, and greatly interested in Baptist history. Of the nature of that interest you may see something in Chapter I of his history of the Association, because of that interest he was chosen to preach the centennial sermon at the meeting of the Association at Love's Creek in 1858. That sermon was published in a separate volume, and contained about the same matter that is in Chapter I of the history. A copy of it was in my father's home. Rev. Lemuel Dixon, whom perhaps you remember, told me that he as a boy five years old attended that Association, heard that sermon, a very long one, and saw Missionary M. T. Yates there. Dr. Purefoy had a son named Pryor, I believe, who was a physician, and lived in Asheville. I will add this: Purefoy's ancestor was a Baptist preacher living in or near New Burn, where he was imprisoned about the year 1740, when he had presented a petition, he and several others, to be allowed to build a Baptist Church in New Burn. You may find an account of this in my History of North Carolina Baptist.

I am glad to hear that you hope to be in Wake Forest soon, and talk over with me your work on this important undertaking. With the surgeon's permission and the exercise of caution I am beginning to do limited walking now. I can not climb steps yet, but I am sure that I can help you in finding material in our Library and that we can be of help to one another in this undertaking.

With all good wishes, and heartiest greetings to the ministers if the Association when you meet them,

Truly yours,
George W. Paschal.

Purefoy, George W., D. D.

The Rev. John Purefoy, a wise and good man, gave three sons to the Baptist ministry of North Carolina—George W., James S., and N. A. Purefoy. George was the oldest of them, and was born in 1889, was baptized in 1830, and began to preach at once. In early life he preached much, but for many years before his death his health did not allow him to preach often. He was the author of the "History of the Sandy Creek Association" and of several works on the baptismal controversy. He died in 1880. The State University at Chapel Hill gave him the title of D. D. in 1870.

Sunday Afternoon—October 3, 1858

The largest congregation ever assembled in this part of the country were present. Elder George W. Purefoy preached the Centennial Sermon from Mat. 11:12. "From the days if John the Baptist until now." An enlargement of the Centennial Sermon and delivered by G. W. Purefoy is found in his History in Chapter 1 and covers 23 pages. A few of his quotations are given:

By the "Kingdom of God" and "Kingdom of Heaven" as applied to the Gospel organization is meant the institution of Christianity as established by Christ. All that are truly regenerated are in the invisible Kingdom—Only true believers that have been baptized belong to the visible Kingdom—The invisible Kingdom is merely an ideal assembly, but the visible Kingdom is a thing that has a visible existence and was set up as such by Christ and his apostles. When the word Church is used in a more extended view than merely to express a local "Assembly of believers" it is used as the general title of the Christian institution—Sec. Mat. 16:18.

The Church is a local assembly to execute the laws which Christ has given.

The Churches are the executive department of "The Kingdom" of God. A scripturally organized Church of Christ is an assembly of those who have been baptized. Meeting to-gether, in one place for divine worship and to observe all things that Christ the Law giver of zion has commanded. Every such local assembly is a church of Christ. This is evident from the great Commission Mat. 28:19-20. Those who are taught and believe are to be baptized and they are to observe all things that Christ had Commaled.

There was a tremendous awakening under the preaching of Peter. They that gladly received his word were baptized.

They were thereby added to the church and they continued steadfastly in the apostles doctrine and fellowship and in breaking of bread and in prayers and all that believetd were together.

Here we are clearly taught that an assembly of baptized believers continuing steadfastly in doctrines of the apostles is a Church of Christ.

A Church of Christ is a local and independent assembly. Each church is a separate organization and is a full and complete church, in its government, and discipline, and is independent of all other churches, and ecclesiastical bodies.

The churches in their individual capacity are empowered by Christ.

1—To receive members. Rom. 16:1 Acts. 2:41

2—To excommunicate unworthy members. Mat. 18:17, 1 Cor. 5:5-13, 2nd Thes. 3:6

3—To restore the penitent 2nd Cor. 2:7-8

4—To set apart ministers. Acts. 1:2-3

5—To select Deacons. Acts. 6:5

6—To send out missionaries. Acts. 8:3

7—To mark and avoid those that cause dissension in or of the church. Rom. 16:17

1—That the Baptist were in existence long before the Reformation.

2—That the Baptist Church is the only denomination that has existed ever since the apostles.

3—That they have preserved the pure Gospel through all ages.

4—That the Baptist church is older than the Catholic.

5—That the Baptist churches are of apostolic origin, we think has been clearly proven and also that they have existed in every age of the Church. "From the days of John the Baptist until now."

All the annual sessions of the Association from 1858 through 1929 are correct as printed on the front page of the minutes. But in 1930 which was the 172nd session but printed to be the 173rd session—hence all the minutes from 1929 to 1956 are printed one year ahead of the correct date. We have corrected that error.

R. Perlyman Johnson and his son Victor R. served as Moderators of the Association for 29 successive years. His daughter Roberta Pearle was sent to China as a Foreign Missionary in 1915.

IN MEMORIAM

Roberta Pearle Johnson

Miss Roberta Pearle Johnson, daughter of consecrated Christian parents, was born at Mt. Vernon Springs, North Carolina. It was the inspiration of home, deeply spiritual and truly missionary, which, more than any other influence, turned her thought to foreign mission work. The call to China came first when she was about ten years old.

A graduate of Meredith College and W. M. U. Training School, Louisville, Kentucky, she did graduate work at Peabody College, Nashville, Tennessee. Appointed by our Foreign Mission Board, she did educational and vangelistic work at North Gate Church and Eliza Yates School in Shanghai, China. The major part of her church work was with the young people. Truly she invested her life in Chinese souls.

She was interned by the Japanese from 1941 until her repatriation in 1943. After the war she continued her work in Shanghai until 1949. Returning home she gave her time to schools of missions and missionary messages in this state and other states.

On December 11, 1952, she went to be with her Master whom she had loved and served with an absorbing love and whole-hearted devotion. 'Twas said of her "The beauty of her Master was reflected in her radiant smile."

In 1947 Carthage held the 1st day session on October 9, 1947.

Goldston held the 2nd day session on October 10, 1947. (See historical table)

Beginning with this session at Aberdeen in 1924 you will find that the Association has been changed to a three day session instead of four days.
1936

Beginning with this session at Yates-Thaggards Church in 1936 you will find that the Association has been changed to a two day session instead of three
1938

Jonesboro Baptist Church—instead of meeting before the first Sunday in October, a motion was made and carried to meet on Thursday after the first Sunday in October.

1946

Rev. Yancey C. Elliott made a motion that the Association meet next year for one day in section four and one day in section one. The motion was adopted. Ministers were called Elders till 1882.

1882 was also the first time preachers were called Reverend. As follows: A. D. Cohen, Rev. W. H. H. Lawhon, Rev. J. D. Hackney, Rev. M. D. Kivett, and Rev. M. P. Beck.

The Baptist State Convention has met two times in the Sandy Creek Association. First when she was just a baby two years old at Rives Chapel Church in 1832. Second with Mays Chapel Church in 1836.
